Director's Message

Hi to all!

Our auction was amazing this year! The night was filled with lots of laughs, great wine, beautiful gifts and tasty treats. Could we have asked for a better time? A big thank to Stephanie V., Tonya K., Vicki T., Gabriela S., Macari Vineyards and to all those who helped with the auction. It couldn't have happened without all of your hard work and hours of preparation. Also, a big thank you to those businesses that donated food, gift items, and gift certificates. We appreciate your support!

Wow! I think the spring weather is finally here and I've started packing away the winter clothing! Yahoo! Now is the perfect time for "spring cleaning"! Please remember that we are continuously collecting for our upcoming Toy, Book, and Clothing Sale being held Saturday, July 2nd. We are already working hard in preparation for the event and hope you will be able to donate a few items as well as attend. There will be plenty of fabulous deals so please bring your friends, neighbors and family! It's a great place to stock up for summer play clothes, extra toys for grandma's house and back to school. We look forward to seeing you there! Please contact me anytime for donation drop-offs or additional information at 631-433-4946.

Mentioning beautiful weather... as always we hope to see you at our outdoor activities such as our Fun On Wheels playgroup where the kids (and mommies too!) are invited to walk, bike, skate or scooter around the track at Jean Cochran Park! The Preschool Playgroup has now moved to Veterans Park in Mattituck on Tuesdays. Now is the perfect weather to get those little ones moving! Please check our events calendar for further information.

This year the SMC will be helping out the Lion Club's at the Strawberry Festival's hulling night! We hope you will bring down the kids to show their support for their community. After preparing some strawberries the kids can enjoy the carnival rides (tickets for rides at additional charge)! Let's remember that working together in the community leads to great connections for the future!

Enjoy the beautiful weather and see everyone around town!

SMC Member Profile

Stacy Sheppard

Growing up on the North Fork of Long Island, I have felt privileged to be surrounded with such an incredible community where beauty was never hard to find. Graduating Mattituck High School, I continued my education by receiving my Bachelors Degree in Sociology at Long Island University. I then got married to my high school sweetheart, Michael Sheppard. Shortly after, we started our beautiful family with a daughter first-Sarah, then my son Parker, and finally my 2nd son Jack. My family means the world to me and I could not be prouder to be a part of it.

Through the years while staying at home raising my children, I have also been blessed to take care of many other children. After 14 years of caretaking which I have enjoyed immensely, I decided to take my love for little ones and my passion for photography by beginning my journey with Stacy Sheppard Photography.

It has been about a year now and I cannot put into words the joy this endeavor has given to me. I love what I do, and to capture even the most simple moments that mean so much is unexplainable. To see the smile on a parents face when I show them their children's photos is what this is all about. I could not choose a better way to spend my time then creating unforgettable memories for these lovely families I have been so honored to photograph. With each new session I learn more and more about the photographer I am and want to be. I look forward to sharing and giving more families the chance to cherish and relive special moments in their lives. I am very thankful to be a part of Southold Mothers Club and look forward to meeting many of you very soon.
